

Healthy Origins® Introduces..... Natural Eggshell Membrane

Clinically Effective Joint Support
from Natural Eggshell Membrane*

- ✓ Supports joint comfort & flexibility*
- ✓ Supports healthy joint mobility*
- ✓ All-natural, food-source ingredient
- ✓ Once-a-day effective dose*
- ✓ Available in 30, 60, and 120 day supply

Healthy Origins® Natural Eggshell Membrane is a revolutionary joint support supplement from one of the world's oldest food sources. Eggs represent one of the most commonly consumed, prevalent, natural food sources on the planet. Scientific research confirms that the egg membrane, or inner lining of eggshells, contains beneficial components such as Chondroitin Sulfate, Collagen, and Hyaluronic Acid which help support healthy joints and flexibility.*

NEM® is an all-natural eggshell membrane ingredient, shown in clinical trials to support joint comfort and flexibility within 7-10 days. NEM® is the natural choice for joint health. A small 500 mg effective dose allows for an easy, once-a-day complete joint support solution.*

- ✓ Natural source of glycosaminoglycans, hyaluronic acid, collagens, proteins and amino acids for healthy joint support *
- ✓ Science-supported NEM® brand with multiple published safety and efficacy studies
- ✓ Non-GMO, Non-shellfish source
- ✓ Made exclusively from fully traceable, USDA inspected eggshells
