

Healthy Origins® Magnesium Bisglycinate Chelate

8 oz (227 grams powder)

Item# 39529

Fully Reacted

Supports Cardiovascular Health and Neurological Health*

Directions: As a dietary supplement for adults, add one (1) scoop of powder into 6 - 8 ounces of juice or water. Take once or twice daily, or as directed by physician.

Magnesium Bisglycinate Chelate is a low molecular weight, high bioavailability magnesium which has been the subject of many clinical trials for cardiovascular health, women's health, respiratory health, neurological health and digestive health.*

Healthy Origins® Fully Reacted Magnesium Bisglycinate Chelate is developed in partnership with Albion Labs Inc., a leader in mineral research and development.

Magnesium Bisglycinate Chelate may be protected by one or more U.S. patents and other international patents.

This product is suitable for Vegetarians and Vegans.
