

Healthy Origins® 7-KETO®

100 mg
120 Veggie Caps
Item# 72878

ECONOMY SIZE

- DHEA Metabolite*
- Vegetarian Formula*
- Clinically Studied*
- Gluten-Free
- Non-GMO

Directions: As a dietary supplement for adults, take one (1) vegetarian capsule two (2) times daily, or as directed by a physician.

7-KETO® (a trade name for 3-acetyl-7-oxo dehydroepiandrosterone or 7-oxo-DHEA) a substance found naturally in the body and is primarily produced by the adrenal glands. 7-KETO® is metabolized from DHEA and similarly to DHEA, 7-KETO® levels have been known to decline with advancing age. However, unlike DHEA 7-KETO® does not convert Estrogen or Testosterone. This lack of conversion with 7-KETO® may be beneficial since overproduction of these two hormones can lead to unwanted side effects.*

‡ 7-KETO has been the subject of multiple clinical trials for healthy weight management and metabolic rate support.*
